

Lady Umbrella

Written by: Joel Yudisi Fernandez

Mafia Combat & Non Combat Dialogues

Description

On Shooting -

"There's no way a woman would ever win against us!"

"Shoot at will!"

"Don't let her approach!"

"Overwhelm her!"

"She's just a woman!"

"Turn her into a Cheese Wheel, boys!"

"Eat lead scumbag!"

"An umbrella?! Are you mocking us?!"

"Our bullets are useless!"

Reload -

"Reloading! Cover me!"

"Backing up to reload!"

"Make noise I'm reloading!"

Francesca Covering -

"She's covering there!"

"Come on! Move!"

Shield Depleted -

"Her shield is down, get her!"

"She's vulnerable!"

Grenade Bounce -

"Back up, back up!"

Grenade Throw -

"Grenade out!"

"Get her out of the cover!"

Non Combat Dialogue -

"We're being obliterated on the west side! Be careful."

"That's not the only flank we're being attacked through."

"This woman, probably a facade... They say it's dangerous."

"No woman would ever be able to kill any of us."

"This new leader... Can we trust him? Is he reliable?"

"We're taking revenge soon enough."
